

Component

Tin Interface with M8x28 Bolt and for Threaded Holes, Black Anodised
Part No.: I-05-8/28/TH/BA (bar code: 10-001-00894)

Technical Specification

Application	For Clenergy's interfaces with M8 threaded holes.	
Weight	0.116 kg	
Dimensions	L40mm*W38mm*H84mm	
Packaging	50 units per pack; 4 packs (200 units) per carton L397mm*W267mm*H345mm (carton)	
Material	Main Structure: AL6005-T5 Bolts/washers/nuts: SUS 304	
Color	Black (black anodised, no less than 10µm)	
Standard	AS NZS1170.2-2021
